

**CLASS X**  
**AISSE 2025: GUIDELINES**  
**(ENGLISH—Code 184)**

1. Read the Question paper carefully and follow the instructions given.
2. The word limit for each answer must be noted.
3. Presentation:
  - A neat and tidy presentation is required.
  - Logical presentation of ideas is essential in case of Questions belonging to Literature and Writing Sections.
4. Reading Comprehension:
  - Choose the most suitable options &/ option numbers.
  - Answers to all MCQs must be done in correct sequence.
  - Do not rewrite the option statement in your own words
5. Writing:
  - *Formal letters*—All components of the format must be correctly represented in the answer.
  - *Analytical Paragraph*--- Follow the instructions pertaining to the content and structure as taught in class.
6. Literature:
  - Read the instructions and correctly select the number of questions to be done in a particular Section.
  - All part questions must be answered serially.
  - Write only the relevant ideas. Unnecessary elaboration is not required. Irrelevant matter must not be included.
  - In case of a Question which has an extrapolatory angle textual reference must precede extrapolation. Besides, pupils are advised to focus on specific examples rather than on a vague amplification of / reflection on the given statement/ idea.
  - Errors in sentence construction, Tenses ,other grammatical mistakes and spelling errors must be avoided .

- Pupils must answer the required number of questions and must **not leave** questions which must be answered, **unattempted**.
- Close reading of the texts present in the syllabus is necessary for preparing for the Examination.
